3. California Dashboard Local Indicators.

The State Board of Education (SBE) approved standards for the local indicators that support Local Educational Agencies (LEAs) in measuring and reporting their progress within the appropriate priority area. For each local indicator, the performance standards are as follows:

1. Annually measure its progress in meeting the requirements of the specific LCFF priority; and
2. Report the results as part of a non-consent item at a regularly scheduled public meeting of the local governing board/body in conjunction with the adoption of the LCAP; and
3. Report results to the public through the Dashboard utilizing the SBE-adopted self-reflection tools for each local indicator.

The Administration recommends the Board of Trustees receive the annual California Dashboard Local Indicator report that is supported by the District's adopted LCAP.

### **G. BUSINESS SERVICES – ACTION/DISCUSSION ITEMS**

1. Adoption of the 2024-2025 Proposed Budget.

Education Code § 42127(a)(2) requires that school districts adopt an annual budget no later than July 1 of each year. Education Code § 42127(e) requires school districts revise their adopted budget no later than September 8th of each year to reflect changes in projected income or expenditures that become known after the annual budget is adopted. No later than 45 days after the Governor signs the annual Budget Act, Education Code § 42124(l)(4) requires school districts to make budgetary changes necessary to reflect new information included in the State budget. As a result of these requirements, staff will be closely monitoring developments in Sacramento as well as revising the District's budget projections over the summer and hopefully will bring a revised budget to the Board no later than the first Board meeting in September.

On June 11, 2024, the Board of Trustees reviewed the 2024-2025 Proposed Budget, and held a public hearing to receive and consider any comments regarding the proposed budget. We anticipate the Legislature will approve the 2024-2025 State Budget on June 15, 2024. The budget compromise maintained the framework presented in the Governor's May Revise with some changes. The Governor has until June 30th to sign the budget.

Important note: At the time of this writing, the detail necessary to quantify the impact of the approved state budget on the District's budget remains somewhat unknown. Therefore, there are no changes or updates that have been made to the proposed budget presented at the June 11, 2024, Board Meeting. All additional adjustments will be made within 45 days of the Governor's action to approve the state budget.

The Administration recommends that the Board of Trustees approve and adopt the El Dorado Union High School District 2024-2025 Proposed Budget.
