EL DORADO UNION HIGH SCHOOL DISTRICT EDUCATIONAL SERVICES Course of Study Information Page

COURSE TITLE College and Career Preparation I			
DISTRICT COURSE NUMBER #2114		4-DIGIT STATE COL	URSE CODE (COMPLETED BY SILT) 2722
Rationale:	High school students have many questions about the college application process, what it takes to be a successful college student, and how to begin thinking about their careers.		
Course Description that will be in the Course Directory:	In College and Career Preparation I, students obtain a deeper understanding of what it means to be ready for college. Students are informed about the importance of high school performance in college admissions and how to prepare for college testing. They know the types of schools and degrees they may choose to pursue after high school and gain wide exposure to the financial resources available that make college attainable. Career readiness is also a focus. Students connect the link between interests, college majors, and future careers by analyzing career clusters. Students come away from this course understanding how smart preparation and skill development in high school can lead into expansive career opportunities after they have completed their education and are ready for the working world. Students who complete College and Career Preparation I have the basic skills and foundation of knowledge to progress into College and Career Preparation II, the capstone course that provides hands-on information about the transition from high school to college and career.		
How Does this Course align with or meet State and District content standards?	The course is based on the American So Standards for school counseling progran		Association National

Definitions

CALPADS	California Longitudinal Pupil Achievement Data System	
CTE Technical Prep	A course within a CTE technical career pathway or program that has been articulated with a postsecondary education or through an apprenticeship program of at least 2 years following secondary instruction.	
Instructional Level Code	Represents a nonstandard instructional level at which the content of a specific course is either above or below a 'standard' course instructional level. These levels may be identified by the actual level of instruction or identified by equating the course content and level of instruction with a state or nationally recognized advanced course of study, such as IB or AP.	
Instructional Level Honors, UC Certified	Includes all AP courses.	
Instructional Level Honors, non UC Certified	Requires Board approval.	
Instructional Level College	Includes ACE courses. Equivalent to college course and content, but not an AP course. Not related to section, but to course.
