COURSE TITLE College and Career Preparation II			
DISTRICT COURSE NUMBER #2115		4-DIGIT STATE COURSE CODE (COMPLETED BY SILT) 2722	
Rationale:	High school students have many questions about the college application process, what it takes to be a successful college student, and how to begin thinking about their careers.		
Course Description that will be in the Course Directory:	College and Career Preparation II build on the lessons and skills in College and Career Preparation I. The course provides a step-by-step guide to choosing a college. It walks students through the process of filling out an application, including opportunities to practice, and takes an in-depth look at the various college-admission tests and assessments, as well financial aid options. College and Career Preparation II also instruct students in interviewing techniques and provides career guidance. Students explore valuable opportunities such as job shadowing and internships when preparing for a career. Students who complete this course obtain a deeper understanding of college and career readiness through informative, interactive critical thinking and analysis activities while sharpening their time management, organization, and learning skills that they learned in College and Career Preparation I. College and Career Preparation II prepares students with the knowledge and skills to be successful in college and beyond.
