OUR MISSION

The El Dorado County Office of Education (EDCOE) Adult Education programs provide our region's adult learners with a wide range of rich learning experiences tailored to meet their unique needs. Caring, highly trained credentialed instructors are committed to helping students succeed in structured, yet flexible learning environments. All of the courses are free, allowing students to achieve their educational, career, and personal goals.

HIGH SCHOOL DIPLOMA AND GED

The El Dorado County Office of Education Adult School offers a high school diploma program that is designed for adults who did not complete the traditional high school model. The program offers an opportunity for students to work at their own pace with no pressure, small class sizes, and the option to work independently with teacher support.

We also offer high school equivalence preparation to prepare students to successfully pass their equivalence tests. Students may test at the Pearson VUE Testing Center on the El Dorado County Office of Education campus.
