By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023-24)
Ponderosa High School, established in 1963 in Shingle Springs, California, is a comprehensive high school serving approximately 1,700 students. The oak tree-lined 40 -acre campus is located in a semi-rural community in the foothills of the Sierra Nevada Mountains. Ponderosa High School has high expectations of students to become college and career-ready. In addition, parents participate in school governance by being elected to serve on the School Site Council, with many more opportunities to connect with and become a vital part of the school learning community. The Western Association of Schools and Colleges (WASC) accreditation team awarded Ponderosa High School a full six-year accreditation term, 2019-2025.

The Ponderosa staff works collaboratively, unified in its commitment to provide meaningful learning opportunities for all students. The school motto, "Pride, Honor, Spirit" exemplifies the heart of what makes Ponderosa High School a school of excellence: PRIDE in preparing students with 21st Century skills, offering Advanced Placement and Career Technical Education courses; HONOR in making good things happen for other people, honoring respectful relationships and valuing two-way communication; SPIRIT in celebrating the achievements of all, and building up others. In addition, PHS has a long-standing reputation as the most spirited and friendly campus in the area.

The master schedule is a seven period-modified block with one traditional day and four block days weekly. The Ponderosa High School "Bruin" learning community offers co-curricular opportunities for students. Student Leadership, Yearbook, Visual \& Performing Arts classes (Band, Choir, Drama, Art), and Career Technical Education courses including Agriculture/Future Farmers of America (FFA), Culinary, Fashion \& Design, Child Development, ROP Animal Health, ROP Law Enforcement, and ROP Diesel programs are integral components of the Ponderosa High School campus. The focus on our Connections Program, and the implementation of Flex Time, are evidence of the school's commitment to providing opportunities and making efforts to help all students successfully reach their postsecondary goals. Extracurricular activities include a full program of boys' and girls' athletics, Cheer, Academic Decathlon, California Scholarship Federation, Key Club, Link Crew, Interact, and Speech and Debate.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Ponderosa High School is set in a semi-rural setting and was opened in 1963. General maintenance and improvements will continue for the 2023-24 school year. Bathrooms are cleaned throughout the day while students are at school. Highlights include the addition of landscape rock to the front entrance planter areas of the school to beautify and deter erosion. Smart TVs are being installed, replacing SmartBoards. Numerous areas and classrooms have been repainted. A large outdoor mural was added to the west gymnasium wall recently, and old athletic stadium storage facilities were demolished and replaced over the summer.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.
Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.
Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.
Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.
Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Career Technical Education (CTE) Programs (School Year 2022-23)

Ponderosa High School Career Technical Education (CTE) pathways allow students to learn real-world trades and gain the tools necessary to excel in today's workforce. Courses are designed to give students the chance to apply classroom knowledge to real-world applications. Through collaboration with all departments, the pathways are tailored to allow the students to combine classroom lessons from college prep courses with our CTE courses. CTE courses can be modified as needed for those students in defined special populations. In collaboration with the Career Technical Education programs offered through our Central Sierra Regional Occupational Program, we are able to offer capstone courses for our students throughout the district. Measurable outcomes from CTE Programs include the number of students enrolled in the course each year, pass rate of classes, and the number of students that take additional courses within a CTE pathway.
The CTE courses offered at PHS include Agriculture Leadership, Introduction to Agriculture, Agriculture Mechanics, Advanced Agriculture Mechanics, Animal Science, Agriculture Biology, Floral \& Adv Floral Design, Fashion Apparel and Textiles \& Adv Fashion, Automotive Technology I, Culinary I \& II, ICT Digital Media, Advanced Video Production, Exploring Computer Science, and AP Computer Science.

In addition to on-campus CTE classes, PHS also hosts three Regional Occupational Programs on our campus consisting of Animal Health, Diesel Engine, and Law Enforcement. PHS students can also enroll in other ROP offerings at other school sites in the district. For example, students can enroll in Cosmetology, Dental Careers, Health Careers, Culinary Arts, Fire Control, Metal Fabrication, and an Auto Engine course throughout the district.
The primary representatives on the district CTE advisory committee include an assistant superintendent and various assistant principals. They represent the different industries and CTE courses offered throughout the district.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

## Opportunities for Parental Involvement (School Year 2023-24)

Parents and interested parties are provided multiple areas to volunteer and support Ponderosa. PHS enjoys the partnership with a variety of parental organizations such as Sober Grad Night. There are active booster groups in Drama, Choir, and Band in addition to Athletics. Parent volunteers actively participate in the school Site Council and School Safety Committee. Additionally, the Ponderosa

Foundation provides opportunities for involvement at varying levels of support to the school.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Ponderosa High School students enjoy a safe, orderly school environment conducive to learning. In addition, student behavior and interactions reflect the positive values of the community. To ensure the maintenance of a positive school atmosphere, Ponderosa employs four campus monitors, four counselors, four administrators and one dean of students who provide campus supervision at lunch and before/after school.

The school safety committee meets quarterly and updates the school safety plan each school year. The Ponderosa High School Site Council approves the safety plan. The facets of the plan are clearly communicated to staff and students, and safety drills are practiced every semester. Emergency bags containing safety supplies and firstaid kits are available in all classrooms and office buildings. This year Ponderosa High School has installed a new bell and PA system and also uses a full-function online system enabling emergency communications and notifications.

Ponderosa participates in the School Resource Officer (SRO) program in cooperation with the El Dorado County Sheriff's Department. Since January 2002, a sheriff's deputy has been assigned to our campus. SROs have been an invaluable resource in preventing and solving oncampus crime and discipline issues. Ponderosa's participation in this program has enhanced the safety and orderliness of the campus. In addition to cooperation with the Sheriff's Department, the El Dorado County Probation Department has assigned an officer to the school to work with students.

Ponderosa High School utilizes district, state, and federal funds to offer extensive educational opportunities and support using a multitiered system of support model to promote academic achievement and social and emotional wellbeing. Students attend Flex time for 33 minutes, four times per week to receive academic remediation or enrichment with PHS teachers. Career and College Assistance is provided through a variety of interactions with students, including grade-level presentations by our guidance counselors and through our College and Career Center. Ponderosa is committed to integrating technology into the classroom through whole-class and individual use. Our classrooms have Chromebooks, and teachers utilize Google Classroom, as well as a variety of additional educational technology platforms.

The PHS Wellness Center provides mental health services and connections to additional off-campus services.

Ponderosa provides targeted academic support courses, such as: Reading Improvement, English Language Development, Connections/Study Skills (utilizes peer mentors to support ninth and tenth grade students that have traditionally struggled academically), and AVID (Advancement Via Individual Determination).

Foundational math classes are co-taught, with one credentialed math teacher and one Education Specialist. Paraprofessionals support students with IEPs and a Spanish-speaking paraprofessional supports English Learners.

Extensive Advanced Placement and Career Technical Education programs provide students opportunities to prepare for postsecondary education, training, and careers.

Credit recovery and remediation is available via the seven-period day, Intersession, and summer school.
